# Rimini International Choral Workshop

## Welcome

Welcome to the eighth edition of the Rimini International Choral Workshop!

It gives me pleasure to take part again in this workshop, to be held from 30 August to 6 September 2009.

During the week we will study many important works of Renaissance choral music to understand the stylistic aspects and the right sonorities. At the end of the course I will conduct the choir of the participants in a Gala Concert of our week's work. You will meet other tutors, such as Ghislaine Morgan who will deal with the vocal topics, Andrea Angelini who will help me with the choir rehearsals and in discussing the theory of the choral art.

This year you'll meet Vytautas Miskinis for a Master Class in Choir Conducting. Do come to this beautiful town to share our love for choral music!

**Peter Phillips**  
The Tallis Scholars  
Director

## The Course

The Rimini International Choral Workshop is a week of music-making and learning with Peter Phillips, Ghislaine Morgan (The Tallis Scholars) and other choir conductors in the beautiful and ancient town of Rimini, on the "Riviera Adriatica" in Italy. The workshop is especially dedicated to exploring our great heritage of renaissance choral music, and to developing a performance style appropriate to it, as pioneered by the Tallis Scholars. The course is open to singers aged 16 years and over, and we welcome participants from Italy and abroad. All you need are reasonable sight-singing skills and a passion for a cappella choral music.
